The Retainer Replacement program fees are non-refundable or transferable. Any appliances required to move teeth that have shifted (i.e. Spring Retainers, Hawley Retainers, or Braces/Invisalign) are not covered under this program and will have separate fees. This program is valid 7 years from the date of debond. Any additional retainers will be charged at the current replacement fee. The Retainer Replacement program does not cover any retreatment required due to lack of compliance by patient. This program only applies to Essix retainers and bonded retainers. We reserve the right to limit the number of retainers produced to prevent abuse of this program.
